

CERTIFICATE OF REGISTRATION

Information Security Management System
ISO/IEC 27001:2013

Magic Leap, Inc.

A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013. The scope and boundaries of the ISMS is as follows:

The Information Security Management System (ISMS) supports all Information Technology services within Magic Leap's Technology Solutions & Services (TSS) structure including its six departments:

- i) Corporate IT & Network Engineering
- ii) Software Engineering
- iii) Business Technology Solutions
- iv) Information Security
- v) Site Reliability Engineering
- vi) Software Engineering Systems

The scope includes TSS security controls and processes focusing on Information Security (confidentiality, integrity, and availability) practices supported by enforcing Magic Leap's policies, standards, procedures, and guidelines. The ISMS covers the management of information and business activities in accordance with the current ISMS Statement of Applicability.
