SCHEDULE M-Bequests, etc., to Surviving Spouse

Election To Deduct Qualified Terminable Interest Property Under Section 2056(b)(7).—If a trust (or other property) meets the requirements of qualified terminable interest property under section 2056(b)(7), and

- a. the trust or other property is listed on Schedule M, and
- b. the value of the trust (or other property) is entered in whole or in part as a deduction on Schedule M, then unless the executor specifically identifies the trust (all or a fractional portion or percentage) or other property to be excluded from the election, the executor shall be deemed to have made an election to have such trust (or other property) treated as qualified terminable interest property under section 2056(b)(7).

If less than the entire value of the trust (or other property) that the executor has included in the gross estate is entered as a deduction on Schedule M, the executor shall be considered to have made an election only as to a fraction of the trust (or other property). The numerator of this fraction is equal to the amount of the trust (or other property) deducted on Schedule M. The denominator is equal to the total value of the trust (or other property).

Election To Deduct Qualified Domestic Trust Property Under Section 2056A.—If a trust meets the requirements of a qualified domestic trust under section 2056A(a) and this return is filed no later than 1 year after the time prescribed by law (including extensions) for filing the return, and

- a. The entire value of a trust or trust property is listed on Schedule M, and
- b. The entire value of the trust or trust property is entered as a deduction on Schedule M.

then unless the executor specifically identifies the trust to be excluded from the election, the executor shall be deemed to have made an election to have the entire trust treated as qualified domestic trust property.

Note: To avoid application of the deemed allocation rules, Form 706 and Schedule R should be filed to allocate the GST exemption to trusts that may later have taxable terminations or distributions under section 2612 even if the form is not required to be filed to report estate or GST tax.

The GST tax is imposed on taxable transfers of interests in property located outside the United States as well as property located inside the United States.

Part 5.-Agreement to Family-Owned Business Interest Deduction Under Section 2057

Estate of:

FRED C. TRUMP

Date of Death
06/25/1999

Decedent's Social Security Number

There cannot be a valid election unless:

- The agreement is executed by each and every one of the qualified heirs, and
- The agreement is included with the estate tax return when the estate tax return is filed.

We (list all qualified heirs and other persons having an interest in the business required to sign this agreement)

TRUSTEE OF THE TRUST F/B/O MARY ANNE TRUMP, DONALD J. TRUMP,
ROBERT S. TRUMP, MARY ANNE TRUMP BARRY AND ELIZABETH GRAU

being all the qualified heirs and

being all other parties having interests in the business(es) which are deducted under section 2057 of the Internal Revenue Code, do hereby approve of the election made by ROBERT S. TRUMP

Executor/Administrator of the estate of FRED C. TRUMP

pursuant to section 2057 to deduct said interests from the gross estate and do hereby enter into this agreement pursuant to section 2057(h).

The undersigned agree and consent to the application of subsection (f) of section 2057 of the Code with respect to all the qualified family-owned business interests deducted on Schedule T of Form 706, attached to this agreement. More specifically, the undersigned heirs expressly agree and consent to personal liability under subsection (c) of 2032A (as made applicable by section 2057(i)(3)(F) of the Code) for the additional estate tax imposed by that subsection with respect to their respective interests in the above-described business interests in the event of certain early dispositions of the interests or the occurrence of any of the disqualifying acts described in section 2057(f)(1) of the Code. It is understood that if a qualified heir disposes of any deducted interest to any member of his or her family, such member may thereafter be treated as the qualified heir with respect to such interest upon filing a new agreement and any other form required by the Internal Revenue Service.

The undersigned interested parties who are not qualified heirs consent to the collection of any additional estate tax imposed under section 2057(f) of the Code from the deducted interests.

If there is a disposition of any interest which passes or has passed to him or her, each of the undersigned heirs agrees to file the appropriate form and pay any additional estate tax due within 6 months of the disposition or other disqualifying act.

It is understood by all interested parties that this agreement is a condition precedent to the election of the qualified family-owned business deduction under section 2057 of the Code and must be executed by every interested party even though that person may not have received the estate tax benefits or be in possession of such property.

Each of the undersigned understands that by making this election, a lien will be created and recorded pursuant to section 6324B of the Code on the interests referred to in this agreement for the applicable percentage of the adjusted tax differences with respect to the estate as defined in section 2057(f)(2)(C).

As the interested parties, the undersigned designate the following individual as their agent for all dealings with the Internal Revenue Service concerning the continued qualification of the deducted property under section 2057 of the Code and on all issues regarding the special lien under section 6324B. The agent is authorized to act for all the parties with respect to all dealings with the Service on matters affecting the qualified interests described earlier. This authority includes the following:

- To receive confidential information on all matters relating to continued qualification under section 2057 of the deducted interests and on all matters relating to the special lien arising under section 6324B.
- To furnish the Service with any requested information concerning the interests.
- To notify the Service of any disposition or other disqualifying events specified in section 2057(f)(1) of the Code.
- To receive, but not to endorse and collect, checks in payment of any refund of Internal Revenue taxes, penalties, or interest.
- To execute waivers (including offers of waivers) of restrictions on assessment or collection of deficiencies in tax and waivers
 of notice of disallowance of a claim for credit or refund.
- To execute closing agreements under section 7121.
