

Proclamation

ATLANTA CITY COUNCIL

National Engineers Week February 16-22, 2020

WHEREAS, Engineers use their scientific skills and specialized knowledge in creative and innovative ways to fulfill society's needs and help solve major technological challenges of our time - from designing efficient building systems to rebuilding towns devastated by natural disasters; and,

WHEREAS, Engineering has been called the invisible or stealth profession because everything around us and things we use every day have been engineered in some way, yet we may not see the engineers behind the scenes or know much about engineering; and,

WHEREAS, Since 1951, National Engineers Week (EWeek) has brought together more than 70 engineering, education and cultural societies, with more than 50 corporations and government agencies to raise public awareness of engineers' positive contributions to our nation's quality of life; and,

WHEREAS, EWeek is dedicated to ensuring a diverse and well-educated future engineering workforce by increasing understanding of, and interest in, engineering and technology careers. It promotes recognition among parents, teachers and students of the importance of a technical education and a high level of math, science and technology literacy, and motivates youth to pursue engineering careers in order to provide a diverse and vigorous engineering workforce.

NOW, THEREFORE WE, the members of the Atlanta City Council, and on behalf of the citizens of Atlanta, join the Atlanta Chapter of ASHRAE in acknowledging the achievements of engineers across Georgia and hereby proclaim February 16-22, 2020, as "National Engineers Week" in the City of Atlanta.

IN WITNESS WHEREOF, WE HAVE
