

ASHRAE Student Member Publication Price List 2024-2025

Student members of ASHRAE qualify for considerable discounts on many ASHRAE publications including the Handbook Series. The complete list is below.

Order these publications in the Student Store at www.ashrae.org/bookstore. Log in as a student to see and receive student prices. If you are submitting your student membership application via fax or email, please include a list of additional student publications you would like to order with your application. You must first complete your payment for membership before publication orders can be placed online at student prices.
