

# STANDARDS ACTIONS

## PUBLIC REVIEW—CALL FOR COMMENTS

Constructive comments are invited for the following Public Review Drafts, which can be accessed on ASHRAE's website at <https://osr.ashrae.org>. To obtain a paper copy of any Public Review Draft contact ASHRAE, Inc. Attn: Standards Public Review, 1791 Tullie Circle, NE, Atlanta, GA 30329-2305, or via email at: [standards.section@ashrae.org](mailto:standards.section@ashrae.org). Paper copies are \$35.00/copy if 100 pages or less and \$45.00 if over 100 pages.

**45-day Public Review from  
December 25, 2020, to February 8, 2021**

- ♦ **ASHRAE Guideline 33-2013R, *Guideline for Documenting Indoor Airflow and Contaminant Transport Modeling***

The guideline establishes a method and format for documenting inputs, assumptions, methods and outputs utilized when conducting indoor airflow and contaminant transport modeling studies.

- ♦ **BSR/ASHRAE Standard 70-2006RA, *Method of Testing for Rating the Performance of Air Outlets and Air Inlets***

The purpose of this standard is to define laboratory methods of testing air outlets and air inlets used to terminate ducted and unducted systems for distribution and return of building air.

- ♦ **BSR/ASHRAE Standard 194-2017R, *Method of Test for Direct-Expansion Ground-Source Heat Pumps***

This standard provides test procedures for determining heating capacity, cooling capacity, coefficients of performance (COPs), and energy efficiency ratios (EERs) for systems.

- ♦ **BSR/ASHRAE Standard 138-2013R, *Method of Testing for Rating Ceiling Panels for Sensible Heating and Cooling***

This standard establishes uniform methods of laboratory testing for rating steady-state thermal performance of ceiling panels used in indoor spaces for sensible heating, sensible cooling, or both. The objective is to rate ceiling panels under repeatable conditions.

## STANDARDS ACHIEVEMENT AWARD

Each year the Society recognizes the outstanding efforts of a single volunteer in the area of standards development. The Standards Achievement Award recognizes excellence in volunteer service and serves to heighten general membership awareness of, and interest in, standards activities.

The award is open to ASHRAE members who have demonstrated outstanding achievement in the ASHRAE standards development process based on criteria presented in Appendix B of the Standards Committee Reference Manual, which can be found on the ASHRAE website at: <http://www.ashrae.org/standards-forms-procedures>.

Nominations are solicited during the first half of the Society year and then the Standards Committee will select the recipient at the 2021 ASHRAE Virtual Winter Meeting.

The Standards Achievement Award will be presented during the Honors and Awards portion of the Plenary Session at the ASHRAE Annual Meeting in Phoenix. A certificate will be presented to the recipient by the ASHRAE President.

Nominations are due to the Sr. Manager of Standards, Connor Barbaree ([cbarbaree@ashrae.org](mailto:cbarbaree@ashrae.org)), by January 11, 2021. The nomination form can be found on the ASHRAE website at: <http://www.ashrae.org/standards-forms-procedures>.
