- ♦ **2nd Public Review ISC of BSR/ASHRAE/IES Addendum cb to ANSI/ASHRAE/IES Standard 90.1-2019, *Energy Standard for Buildings Except Low-Rise Residential Buildings***

The first public review draft of Addendum cb modified the Title Purpose and Scope (TPS) to apply to areas outside of the physical building. This ISC clarifies the original intent by including an exception for incidental structures. It also expands on the current definitions and administrative portions of the standard to support the correct application of the new scope.
