

**ERRATA SHEET FOR REPRINT 8-92**

**ASHRAE/IES STANDARD 90.1-1989  
ENERGY EFFICIENT DESIGN OF NEW BUILDINGS  
EXCEPT LOW-RISE RESIDENTIAL BUILDINGS**

**October 8, 1992**

**The following errata applies to reprint 8-92 and all earlier issues of ASHRAE/IES 90.1-1989:**

**Table 10-6, p. 94. Footnotes <sup>a</sup> and <sup>b</sup> of Table 10-6 are missing the reference in the table. This should be corrected as follows:**

**Footnote <sup>a</sup>: In the first column of Table 10-6, add <sup>a</sup> in two places after the row heading "Air Conditioners" and in one place after the row heading "Heat Pumps."**

**Footnote <sup>b</sup>: In the first column of Table 10-6, add <sup>b</sup> in two places after the row heading "Condensing Units."**
