

**ERRATA SHEET FOR FIRST PRINTING AND REPRINT07/09**  
**ANSI/ASHRAE STANDARD 161-2007**  
**Air Quality within Commercial Aircraft**

**November 19, 2009**

The corrections listed in this errata sheet apply to the first printing and reprint of ANSI/ASHRAE Standard 161-2007. The outside back cover marking identifying the first printing is “86493 PC 5/08” and “Product Code: 86493 7/09 *Errata noted in the list dated 2/9/09 have been incorporated.*” for the reprint. The shaded item has been added since the previously published errata sheet dated February 9, 2009 was distributed. **NOTE:** The erratum identified with an “\*” has already been incorporated into the 07/09 reprint and therefore does not apply to that edition.

**NOTICE:** ASHRAE now has a list server for Standing Standards Project Committee 161 (SSPC 161). Interested parties can now subscribe and unsubscribe to the list server and be automatically notified via e-mail when activities and information related to the Standard is available. To sign up for the list server please visit **Standards List Servers** on the Standards and Codes section of the ASHRAE website at <http://www.ashrae.org/publications/detail/15620>.

**Page(s)      Erratum**

**13**      **9.1 Thermal Measurements.** Correct the spelling of ASHRAE in Section 9.1 so it reads “...in accordance with Section 7 of ANSI/ASHRAE Standard 55-2004,<sup>4</sup>...”.

**13\***      **10. References.** Remove the last sentence in column 1 of page 13 and insert it between the third and fourth lines of Reference 14 in column 2 of page 13 such that it now reads:

14. OSHA, 1996. US Occupational Safety and Health Administration, Department of Labor Code of Federal Regulations Title 29, Subpart Z (Toxic and Hazardous Substances), Standard 1910.1200: Hazard communication (61CFR5507) Washington, DC.
