Dear EUKI Community,

As part of its curriculum, EUKI Academy has started a series of web seminars and we are cordially inviting you to our EUKI Academy Web Seminar on:

**The Renovation Wave under the European Green Deal:**  
New policy windows for accelerating and financing building renovation at the municipal level

**When?**

26<sup>th</sup> November 2020 – 11:00-12:00 CET

**What?**

On October 14, 2020, the European Commission published a new strategy called A Renovation Wave for Europe – Greening our buildings, creating jobs, improving lives. The web seminar intends to shed light on new opportunities arising in the coming month to decarbonise the European building stock. Among others, the European Performance of Buildings Directive will be revised in 2021 in view of the new proposals set out by the renovation wave. The web seminar presents some major changes that have been announced to step up renovation efforts across Europe.

1. Welcome by EUKI Secretariat (Matthias Daun, EUKI)
2. A Renovation Wave for Europe – The European Green Deal’s Working Programme for the Building Sector (Sibyl Steuer, Head of Berlin Office, Buildings Performance Institute Europe (BPIE ASBL))
3. Q&A via chat function
4. Financing the Wave – Good Practice from EUKI Project “Our Buildings” (Sibyl Steuer and Dragomir Tsanev, Executive Director, Center for Energy Efficiency)
5. Q&A via chat function

Please do not hesitate to get in touch if you have any questions regarding this web seminar.

Best regards from Berlin,

Matthias Daun / EUKI Secretariat
