What is in a petition for a WRO and/or finding modification or revocation?

Include

- ☑ Credible audit results
- ☑ Corrective action plan
- ☑ Corrective action plan implementation
- ☑ Evidence of forced labor indicator remediation and verification by the same third-party auditors

Don't Include

- ☒ Data Dumps
- ☒ Policies without verification of implementation
- ☒ Incomplete or redundant document submissions

What is a Credible Audit?

A credible audit includes the following elements:

- Unannounced independent, third-party audit
- All indicators of forced labor addressed
- Interviews completed in native language

What is a Corrective Action Plan?

A corrective action plan includes the following elements:

- All audit findings
- Actions required to remedy identified forced labor indicators
- Verification and implementation of forced labor indicator remediation
- Clear timeline of milestones to complete
- Consequences if no action taken

U.S. Customs and Border Protection

Modification or revocation requests may be submitted to forcedlabor@cbp.dhs.gov.
