## Regional Workshop *DRAFT AGENDA*

### ***Accelerating Building Efficiency: Challenges and opportunities in Central & Eastern Europe***

28-29 September 2017

Location: Ceremonial hall in the City Hall, Belgrade, Serbia

#### **DAY 1: Exchange between cities/technical assistance from experts: accelerating building efficiency in Central-Eastern Europe**

8:30 – 9:00 **Registration**

9:00 – 09:30 **Welcome**

09:30 – 10:45 **Systematic approaches to deep renovation of an aging building stock**

*Speakers will address the need to double the rate of improvement in energy efficiency within the Central-Eastern Europe region. Participants will hear about the characteristics of the local building stock, the potential for energy efficiency within the region and combined approaches to improve building efficiency and district energy networks.*

10:45 – 11:15 **Coffee break**

11:15 – 12:45 **Best practice and case studies from the region**

*Each city will have 5 minutes to present 2 slides on their city's specific ambitions and challenges to accelerate the renovation of their building stock.*

- *What is your city ambition on Municipal Building Efficiency?*
- *What barriers and challenges are you addressing to improve energy efficiency?*

12:45 – 14:00 **Networking Lunch**

14:00 – 16:00 **Financing Energy Efficient Renovation (interactive panel)**

*Speakers will have 3 minutes for introductory comments. No power point will be needed as this is an interactive session. The moderator will ask questions (provided by the cities in advance) to the panel, composed of technical experts and representatives from the banking sector.*

16:00 – 16:20 **Q&A**

16:20 – 16:30 **Summary and Conclusion**
