St Helier South: Canton de Bas de la Vingtaine de la Ville, Canton de Haut de la Vingtaine de la Ville

Estimate of eligible voters

To be eligible to vote in Jersey a person must be over the age of 16 and have lived in Jersey for two years; or to have lived in Jersey for six months, plus a period that totals five years.

Exact date of arrival in Jersey and previous periods of residence are not recorded in the census. Therefore, length of residence has been estimated from year of arrival, with an assumption that people arrive evenly throughout the year. Where length of residency is less than two years (and greater than 6 months), 'Entitled' residential status is used as a proxy for previous residence in the Island.

The estimated number of adults aged 16+ who were eligible to vote in March 2021 includes:

- all adults resident in Jersey from 2018 or earlier
- a quarter of adults arriving in 2019
- all adults who arrived in Jersey in 2020 or 2021 with "Entitled" residential status
- three-quarters of adults who arrived in Jersey in 2019 with "Entitled" residential status
