

HUD's Grants Evaluation and Management System (GEMS)

Indian Housing Plan (IHP)/Annual Performance Report (APR)

Each year, a recipient of Indian Housing Block Grants uses GEMS to submit an IHP/APR (form HUD-52737). GEMS is a Salesforce based application that automates much of the process for completing and submitting IHPs/APRs, IHP Amendments, IHP Waivers, and Tribal Certifications.

GEMS Registration

To access GEMS, grantees will need to set up an account and enter information through the Registration Portal: <https://hud.my.site.com/GEMS/s/login/SelfRegister?locale=us>. GEMS utilizes a one-time signature attestation for the authorized officials to submit electronic signatures in GEMS. The area offices verify and accept registrations submitted in the portal. Once accepted an email with the log-in information will be sent.

GEMS is best accessible with Chrome web browser.
