**OFFICE OF THE ATTORNEY GENERAL
OF THE STATE OF MARYLAND**

**Request for Proposals to Serve as Assistant Counsel to the
Attorney General of Maryland**

Responses are due July 9, 2024 by 5:00 p.m.

I. Introduction

The Office of the Attorney General of the State of Maryland (the “OAG” or “Attorney General”) issues this Request for Proposals (RFP) to engage Assistant Counsel (“Assistant Counsel”), pursuant to State Government Code, §6-105(b), with expertise in environmental law. The Assistant Counsel will support the OAG’s representation of the **Maryland Transportation Authority (“MDTA”), the Maryland Department of Transportation (“MDOT”) (including its five modal administrations (i.e., the Maryland Transit Administration (“MTA”), Maryland Port Administration (“MPA”), Maryland Aviation Administration (“MAA”), State Highway Administration (“SHA”), and Motor Vehicle Administration (“MVA”), and additional agencies and instrumentalities (“State Units”)** of the State of Maryland (hereinafter collectively “the State”).

The OAG is soliciting proposals from qualified law firms experienced in matters pertaining to environmental law and litigation for infrastructure and transportation projects, including the Francis Scott Key Bridge replacement project. Support from Assistant Counsel is needed at all phases of the projects (e.g. study, planning, development, design, and construction), as well as for any related or resulting litigation. Their advice is also needed on matters involving complex financing, public-private partnerships, real estate evaluations, and compliance with laws and regulations administered by the U.S. Environmental Protection Agency, the U.S. Department of Transportation, and the Maryland Department of the Environment. It is also anticipated that the selected attorney or firm will assist the OAG with environmental related litigation and provide other related services as directed. While it is anticipated that the majority of the advice and representation described in this RFP will be provided to the Maryland Transportation Authority and MDOT, Offerors should be aware that other State Units may require similar advice and assistance on environmental matters from time to time.

The Attorney General plans to retain one or more Assistant Counsel to provide assistance, as more fully outlined below. Requests for assistance will be evidenced by issuance of a Task Order following completion of a conflicts check. Task orders will be issued by the Procurement Officer and/or by other authorized Assistant Attorneys General, and with the concurrence of the State entity in need of legal assistance which will be responsible for payment.

II. Background and Purpose

MDTA is an independent agency of the State of Maryland (the “State”) authorized under Title 4 of the Transportation Article, Annotated Code of Maryland, as amended (the “Enabling Act”) to finance, construct, operate, maintain, and repair “transportation facilities projects” (as defined in the Enabling Act) and to issue revenue bonds and other debt obligations for the purpose of

financing the cost of those facilities. Pursuant to that power, MDTA owns and operates Maryland's toll roads, tunnels, and bridges, which include the Baltimore Harbor Tunnel (I-895), the Fort McHenry Tunnel, the John F. Kennedy Memorial Highway (I-95 from I-895 to the Delaware line), including the Express Toll Lanes, the William Preston Lane, Jr. Memorial Chesapeake Bay Bridge and parallel Chesapeake Bay Bridge, the Frances Scott Key Bridge, the Governor Harry W. Nice Memorial/Senator Thomas "Mac" Middleton Bridge, the InterCounty Connector (MD 200), and the Thomas J. Hatem Memorial Bridge.

MDOT, a principal department of the State government, is organized pursuant to Title 2 of the Transportation Article of the Annotated Code of Maryland. Within MDOT there are five modal administrations: the State Highway Administration ("SHA"); the Maryland Transit Administration ("MTA"); the Maryland Aviation Administration ("MAA"); the Maryland Port Administration ("MPA"); and the Motor Vehicle Administration ("MVA"). For purposes of this RFP, the term "MDOT" shall be deemed to include MDOT Headquarters, its five administrations, and MDTA (collectively referred to as Transportation Business Units ("TBUs")).

III. Scope of Work

1. The Attorney General is seeking to retain the services of Assistant Counsel (the "Contractor") to assist and advise MDTA and MDOT (and any additional State Units as needed) on matters pertaining to environmental law, including legal issues related to all types of infrastructure and transportation projects, including major transportation projects, in the study, planning, development, design, and construction phases, including but not limited to work related to the replacement of the Francis Scott Key Bridge and the study and review of an additional Chesapeake Bay crossing. The scope of work includes all related and required environmental review, planning, studies, coordination and approvals including statutory and regulatory review; litigation and legal risk analysis; financial analysis as required by the USDOT or other review agencies; review of real estate issues; analysis of feasibility of and review of public-private partnership options; review of public involvement materials; advice and consultation for compliance with all aspects of the National Environmental Policy Act ("NEPA"); matters involving the statutes, policies, and regulations administered by the EPA, USDOT, and MDE; and support, coordination, and representation in any related or resulting litigation.
2. On matters for which Assistant Counsel services have been sought, the Contractor may be asked to represent MDTA or MDOT or other State Units in discussions with administrative agencies, including the EPA, USDOT, and MDE, and in litigation pertaining to environmental law on an as-directed basis, before Administrative Agencies and in State and Federal Courts. The Contractor may be asked to provide advice on or assist with other environmental or major transportation project-related services related to the above or as directed.
3. The Contractor will only be responsible for advice on matters assigned to it. Some assignments will require coordination with the existing Assistant Counsel with respect to matters previously assigned to existing Assistant Counsel.
4. All legal services are to be provided only at the request of the Contract Officer or their designee. All advice is to be provided directly to the Procurement Officer or their designee. The Contractor is not authorized to enter into discussions with a State Unit's staff, customers, clients, or other advisors without the knowledge and direction of the Procurement Officer or their

designee.

IV. General Conditions

1. **Payment.** Contractor will be paid an hourly fee for services rendered under the Contract to be agreed upon plus permitted reimbursable expenses. Contractor will be paid from funds that may be appropriated or otherwise be made available for such payment by the State unit identified in the applicable Task Order(s). The Attorney General reserves the right to select more than one firm to handle this representation. In addition, Assistant Attorneys General may handle all or portions of the work. The Attorney General does not promise or guarantee any minimum level of hours of work or compensation during the term of the Contract and the Attorney General does not have funding to pay fees to Assistant Counsel.
2. **Disclosure.** This RFP, all proposals, and the resulting contracts and task orders are subject to the Maryland Public Information Act. Offerors must specifically identify those portions of their proposals, if any, which they deem to include confidential, proprietary information or trade secrets and must provide justification why such material should not, upon request, be disclosed by the State under the Maryland Public Information Act, General Provisions Article, Title 4 of the Annotated Code of Maryland.
3. **Procurement Law Inapplicable.** This RFP and any Contract entered into as a result hereof is not subject to the provisions of Division II of the State Finance and Procurement Article or the State procurement regulations as set forth in COMAR Title 21 (collectively, the “**Procurement Laws**”). Nonetheless, the procedures set forth in the Procurement Laws will be applied to this RFP and the Contract to the extent practicable and consistent with obtaining the best legal counsel for the State, all as determined in the sole discretion of the Procurement Officer (defined below). The dispute resolution and appeal procedures contained in the Procurement Laws will not apply to this solicitation.
4. **Proposal Expenses Nonreimbursable.** The State is not responsible for any expenses Offeror may incur in connection with developing and submitting a proposal or gaining familiarity yourself with state and federal statutes, regulations, programs, and financings.
5. **Email Updates.** Interested persons who would like to be notified of any amendments or updates relating to this RFP are encouraged to send written notice to the Procurement Officer of their name, and e-mail address,
6. **Questions and Answers.** The Procurement Officer is the sole point of contact for this RFP. **Questions about this RFP may be submitted by email, no later than 5:00 p.m. on June 14, 2024, to pberns@oag.state.md.us.** Answers to questions will be provided to all interested parties. Answers will be provided, if possible, without disclosure of the identity of the person or party asking the question. There will be no pre-proposal conference.
7. **Amendments and Cancellation.** The OAG reserves the right to amend this RFP and any amendments will be e-mailed to all interested persons. The OAG also reserves the right to cancel this RFP and notice of cancellation will be e-mailed to all interested persons.

8. Joint Responses. The OAG will entertain proposals submitted by joint ventures of not more than two parties (a party, for this purpose meaning a law firm or a lawyer). A Joint Venture is an “Offeror” and, except when otherwise expressly provided or when the context indicates otherwise, will be treated as one entity. If two persons or firms respond to the solicitation jointly, the specific services to be provided by each firm should be identified, and the proposal should indicate how the firms expect to coordinate their work. Duplication of work by joint venturers will not be permitted.

9. Terms and Conditions. By submitting a proposal, you accept all the terms and conditions of this RFP. If selected, you will be expected to enter into the Contract, the form of which is attached as Exhibit E. The terms and conditions of the Contract are not subject to negotiation. By submitting a response, you will be deemed to represent that your firm is not in arrears in the payment of any obligation due and owing the State, including the payment of taxes and employee benefits.

VI. Commitment to Diversity, Equity and Inclusion

The OAG views equity, diversity, inclusion, and belonging as the pathway to achieving professional excellence and fostering and maintaining a culture where everyone can thrive. The OAG, therefore, strives to solicit law firms that draw upon the best pool of talent to achieve excellence and diversity while fully embracing individuals from varied backgrounds, cultures, races, identities, life experiences, perspectives, beliefs, and values. The OAG honors, respects, and celebrates all differences, both visible and invisible, and is committed to soliciting firms that recruit, retain, and promote individuals who have historically been underrepresented in the practice of law and the legal profession.

Consistent with this commitment, the OAG desires that individuals from communities underrepresented in the practice of law,¹ minority business enterprises (“**MBEs**”) as defined in §14-301 of the State Finance and Procurement Article of the Annotated Code of Maryland (the “Procurement Article”), veteran-owned small business enterprises (“**VSBEs**”) as defined in §14-601 of the Procurement Article, and small businesses (“**SBs**”) as defined below, have the maximum practicable opportunity to participate in contracts and subcontracts.

The OAG encourages the use of individuals from underrepresented communities, MBEs, VSBEs, and SBs, either independently or as part of a joint venture, for contracting and subcontracting opportunities.

Additional weight may be given to law firms that partner with a small business. For purpose of this solicitation, a small business is defined as a business with 50 or fewer employees.

Price will be an important factor in the selection process but not necessarily the determining factor.

1. Review of Proposals. Technical proposals (and oral presentations, if any) will be evaluated before price proposals are opened. Please note that Offerors whose technical proposals do not meet the Minimum Requirements described in Paragraph VII-6, above, may be deemed not reasonably susceptible for award and that Offeror's technical and price proposals may not be evaluated. Technical merit will be given more weight than price in determining the Evaluation Committee's final ranking. After reviewing the price proposals, one or more Offerors may be

invited to participate in an interview and further discussion, and may be requested to provide a best and final offer. For the technical evaluation, the Evaluation Committee will take into consideration the following factors (listed in descending order of importance):

- (i) the proposed Legal Team’s demonstrated experience and expertise in representing clients in environmental and associated matters as described in this RFP (as reflected in the written technical proposal and the oral presentation, if any);
- (ii) the price proposals;

- (v) any joint venture partnership with a small business.

2. **Basis of Award.** Contract award will be made to the Offeror, or Offerors, whose proposal contains the combination of those criteria offering the best overall value to the Attorney General and the State. Selection of Assistant Counsel will be solely the decision of the Attorney General. We reserve the right to reject any and all proposals, to waive informalities and minor irregularities in proposals, and to negotiate with any and all Offerors who submit them. The successful Offeror may be selected on the basis of initial written proposals, without discussions with Offerors and without requesting a best and final offer, so please take care in submitting your technical and price proposals. The Attorney General may select more than one Offeror to provide services under this RFP.

X. Proposal Submission

Proposals should be emailed to Peter V. Berns, General Counsel, at pberns@oag.state.md.us no later than 5:00 p.m. on July 9, 2024. The Technical Proposal and the Price Proposal should be in PDF format and must be submitted as separately labeled files.

In the event we choose to meet with qualified Offerors to discuss this RFP and the Offeror’s proposal and ability to perform the proposed contract, such interviews are likely to be scheduled between **July 17th and 24th, 2024.**

EXHIBIT C
CONFLICT OF INTEREST PROVISIONS

1. General. If a conflict of interest arises, the Offeror must be willing to continue to represent the **OAG CLIENT** and be in a position to inform other existing or potential clients that they must find representation elsewhere in particular situations. The Attorney General reserves the right, in his sole discretion, to determine if a conflict of interest has arisen pursuant to the Maryland Lawyers' Rules of Professional Conduct and to select another contractor or firm to represent the **OAG CLIENT** if a conflict is not resolved to her satisfaction. See paragraph 4. below in this Exhibit.
2. Conflict Check System. The Offeror shall describe in detail its existing system for identifying conflicts of interest in undertaking new representation. The description shall include information about who maintains the central records, how often information is updated, and at what stage of representation the check is made.
3. Potential Conflicts. In your response, please identify any existing relationships or representation that would or might result in a conflict of interest if the Contract is awarded to the Offeror and your proposal for resolving such conflicts. Once a contract is awarded, the Attorney General may require that any conflict be resolved in favor of representing **the OAG CLIENT**. Prior to entering into a contract, the Contractor shall provide assurances that potential conflicts have been discussed with other existing clients of the Contractor who might be requested to engage other counsel for a specific transaction, and that those existing clients are amenable to such an inconvenience.
4. Resolving Conflicts. The Offeror shall identify any conflicts of interest which may arise if the Offeror serves as counsel to **OAG CLIENT** and shall describe how it proposes to avoid such conflicts. The Contract will require the Contractor to notify the Contract Officer immediately of any potential conflicts of interest and to undertake immediate action to eliminate the source of the potential conflict. The Contract Officer, **OAG CLIENT** and the OAG reserve the right to make the Contractor aware of situations which may present a conflict of interest and require the Contractor to promptly remedy the situation to the satisfaction of the Contract Officer. Any request by a Contractor to waive a conflict of interest shall be in writing and shall be submitted to the Contract Officer. Upon the request of the Contract Officer, the Offeror, to the extent permitted by the Maryland Lawyers' Rules of Professional Conduct, shall withdraw from the representation of parties whose interests are adverse to the interest of **OAG CLIENT**.

The Maryland Lawyers' Rules of Professional Conduct govern what is and is not a conflict of interest. In applying those rules and deciding whether to waive any conflicts, the OAG is conscious that an aggressive approach of asserting conflicts may have a chilling effect on the ability of OAG to retain outside counsel. While the OAG decides these issues based upon the specific facts and circumstances on a case by case basis, as a general matter, the Office probably will not assert that a conflict exists, or will waive a conflict, if the subject matter of the other matter is completely unrelated to the subject matter on which the lawyer has been retained by the State.

6. Insurance and Indemnification

6.1. Professional Liability and Insurance. The FIRM shall maintain in full force and effect during the term of this Contract professional liability insurance in an aggregate amount of not less than \$5,000,000, which liability insurance shall include coverage for the services to be performed hereunder. The FIRM agrees that thereafter it shall maintain for the entire period in which it and each of the attorneys on the Legal Team (subject to any applicable statute of limitations) may incur professional liability in connection with the performance or failure to perform services under this Contract, professional liability insurance in the aggregate amount of not less than \$5,000,000, which liability shall include coverage for the services to be performed under this Contract. However, if the FIRM is a joint venture, and provided that one venturing entity maintains the required insurance policy, the requirement of the FIRM to maintain insurance shall be satisfied if both joint venturers submit evidence to the Procurement Officer (for prior written approval in the Procurement Officer's sole discretion) that all members of the joint venture will have such coverage either through actual insurance policies or the equivalent.

6.2. Indemnification. The FIRM, within the limitations of the Maryland Attorneys' Rules of Professional Conduct, shall indemnify, hold harmless and, upon request, defend, the State, and their respective officers, members, agents and employees from and against any and all third-party claims, suits, judgments, expenses, actions, damages, and costs (including reasonable attorney's fees) of every name and description, arising out of or resulting from the fault or negligence of the FIRM in performance of or failure to perform the services of the FIRM under this Contract or a breach of any or all of the FIRM's obligations under this Contract.

6.2.1. The State, including the OAG, has no obligation to provide legal counsel or defense to the FIRM or its subcontractors in the event that a suit, claim, or action of any character is brought by any person not party to this Contract against the FIRM or its subcontractors as a result of or relating to the FIRM's obligations under this Contract.

6.2.2. The State, including the OAG, has no obligation for the payment of any judgments or the settlement of any claims against the FIRM or its subcontractors as a result of or relating to the FIRM's obligations under this Contract.

6.2.3. The State, including the OAG, shall not assume any obligation to indemnify, hold harmless, or pay attorney's fees that may arise from or in any way be associated with the performance or operation of this Contract.

6.2.4. The FIRM shall immediately notify the Procurement Officer and the applicable Lead AAG or his/her designee of any claim or suit made or filed against the FIRM or its subcontractors resulting from or relating to the FIRM's obligations under the Contract, and will cooperate, assist, and consult with the indemnitees in the defense or investigation of any claim, suit, or action made or filed against the State, including the OAG, as a result of or relating to the FIRM's performance under this Contract.

7. Suspension and Termination

7.1. Suspension of Work. The Procurement Officer or the applicable Lead AAG unilaterally may order the FIRM in writing to suspend, delay, or interrupt all or any part of the work for such period of time as they may determine to be appropriate for the convenience of the State.

If the FIRM fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provisions of this Contract, the OAG may terminate this Contract by written notice to the FIRM. The notice shall specify the acts or omissions relied on as cause for termination. All finished or unfinished services provided by the FIRM, shall, at the OAG's option, become the property of the OAG provided the State has paid the sums, if any, due to the FIRM pursuant to this subparagraph. In the event of termination pursuant to this subparagraph, the FIRM shall be entitled to (a) fair and equitable compensation based upon the rates of compensation described in paragraph 3.1, above, for satisfactory performance prior to receipt of notice of termination, and (b) all expenses reimbursable under paragraph 3.2, above, incurred by the FIRM prior to receipt of such notice, less the amount of damages caused by the FIRM's breach. If the damages are more than the compensation payable to the FIRM, the OAG and OAG CLIENT retain whatever causes of action they may have for damages resulting from the FIRM's default.

7.3. Termination of Contract for Convenience. The performance of work under this Contract may be terminated by the OAG in accordance with this clause in whole, or from time to time in part, whenever the OAG shall determine that such termination is in the best interest of the State. In the event of termination pursuant to this subparagraph, the FIRM shall be entitled to (a) compensation for services satisfactorily performed prior to the date of termination based upon the rates set forth in paragraph 3.1 hereof, and (b) all reasonable expenses, as described in paragraph 3.2, incurred by the FIRM prior to such date of termination.

7.4. Termination of Multi-Year Contract. If funds are not appropriated or if funds are not otherwise made available for the continued performance of this Contract at any time during the Contract term, this Contract shall be canceled as of the time for which funds were not appropriated or otherwise made available; however, this will not affect the OAG CLIENT's rights under any other termination clause of this Contract. The effect of termination of this Contract pursuant to this subparagraph will be to discharge the FIRM, the OAG, and the State from future performance of this Contract, but not from their obligations existing at the time of termination. In the event of termination pursuant to this subparagraph, the FIRM shall be entitled to (a) compensation for services satisfactorily performed prior to the date of termination based upon the rates set forth in paragraph 3.1 hereof, and (b) all reasonable expenses, as described in paragraph 3.2, incurred by the FIRM prior to such date of termination.
