

MULTIMAX 30

High insulating glass wool panel for cavity walls

SUSTAINABILITY

BETTER FOR PEOPLE

- Excellent thermal performance: ($\lambda_d = 0,030 \text{ W/mK}$)
- High acoustic performance

- Easy to install

PERFORMANCE

BETTER ECONOMIC VALUE

- Time saving on jobsite execution

- Lower energy bills
- Excellent optimization of thickness / thermal performance

BETTER QUALITY

- Non combustible (A1)
- Excellent mechanical resistance
